

LONDON POLICE SERVICES BOARD POLICY

LPSB Policy: 058

Title: Framework for Business Planning

Procedure: Business Plan

Approved: May 25, 2000

Amended: March 26, 2009

1. Policy:

It is the policy of the London Police Services Board with respect to business planning that:

Consultation

1. This Board, in partnership with the Chief of Police, will prepare a strategy for the development of the business plan, consistent with the requirements of the Adequacy Standards Regulation (including the protocol with municipal council), that will include consultation on:
 - a) an environmental scan of the community that highlights crime, calls for service and public disorder trends within the community;
 - b) the results achieved by the LPS in relation to the business plan currently in effect;
 - c) a summary of the workload assessments and service delivery evaluations undertaken during the existing business plan cycle;
 - d) the Board's proposals with respect to the LPS's objectives, core business and functions, and performance objectives and indicators for the eight functions set out in the Adequacy Standards Regulation; and
 - e) the estimated cost of delivering adequate and effective police services to meet the needs identified in the draft business plan.

Performance Objectives

2. This Board, in partnership with the Chief of Police, will consider when developing the performance objectives, factors such as:
 - a) the LPS's existing and/or previous performance, and estimated costs;

- b) crime, calls for service and public disorder analysis and trends, and other social, demographic and economic factors that may impact on the community;
- c) the type of performance objectives, indicators and results being used/achieved in other similar/comparable jurisdictions;
- d) the availability of measurements for assessing the success in achieving the performance objectives; and
- e) community expectations, derived from the consultation process, community satisfaction surveys, and victimization surveys.

Information Technology

3. This Board, in partnership with the Chief of Police, will include in the business plan an information technology plan that:
 - a) is based on an evaluation of the police service's information technology needs, including its capacity to electronically share information with other agencies, organizations and community groups;
 - b) requires the periodic review of key business processes, practices and related technology to identify possible changes that may reduce the administrative workload of front-line officers; and
 - c) addresses information technology acquisition, updating, replacement and training.

Police Facilities

4. This Board, in partnership with the Chief of Police, will include in the business plan a police facilities plan that, at minimum, ensures that the LPS maintains one or more police facilities that are accessible to the public during normal working hours, and that during all other hours public telecommunications access to a communications centre.
5. The Chief of Police should review and **report** (refer to LPSB 60A) back to the Board, at least once every business cycle, on whether:
 - a) all police facilities:
 - i) meet or exceed provincial building and fire codes;

LONDON POLICE SERVICES BOARD POLICY

- ii) have sufficient space for the efficient organization of offices and equipment;
 - iii) be adequately heated, ventilated, illuminated and, where appropriate and practical, air conditioned, when in use;
 - iv) have lockers, separate change area, if members are required to change at the workplace, and washroom facilities, and where appropriate and practical, shower facilities; and
 - v) have appropriate security measures and communications;
- b) members of the LPS service have available:
 - i) appropriate and secure working, records and equipment storage space; and
 - ii) separate or private areas for interviewing purposes; and
- c) the LPS's lock-up facilities meet the following requirements:
 - i) the minimum cell size is 7' x 4'6" x 7' high;
 - ii) fire extinguishers are secure and readily available in the lock-up area, but out of reach of the person in custody;
 - iii) smoke and heat detectors are installed in the lock-up area;
 - iv) toilet facilities are provided in each lock-up;
 - v) no unsafe conditions exist, including means of attaching ligatures;
 - vi) first aid equipment, including airway devices for mouth to mouth resuscitation, are readily available;
 - vii) lock-ups are separate from public view;
 - viii) confidential interviews with legal counsel can be accommodated;
 - ix) a proper area for prisoner processing is provided;
 - x) cell keys are in a secure location and master or duplicate

keys are readily available;

- xi) the area where prisoners are processed and/or searched is well illuminated, secure and has no hazardous conditions present;
- xii) compliant with the LPS's policy and procedures with respect to communicable diseases; and
- xiii) a means of constantly communicating with the main desk area and/or the communications centre is available.

6. Where it is determined that the police facilities do not meet the requirements in 6(a), (b) and (c), the Chief of Police should prepare a plan for the Board that sets out options and costs in order to meet the requirements.

Resource Planning

7. The Chief of Police will:
- a) implement a resource planning methodology that is either automated or manual, and which takes into account the business plan and existing demands for service; and
 - b) at least once every business cycle, undertake and **report** (refer to LPSB 60A) back on workload assessments and service delivery evaluations for the following areas:
 - i) crime prevention;
 - ii) law enforcement, including separate assessments and evaluations for the service's community patrol, communications and dispatch, crime analysis, criminal intelligence, criminal investigation and investigative supports functions;
 - iii) providing assistance to victims;
 - iv) public order maintenance; and
 - v) emergency response services for the six functions identified in sections 21(1) and 22 and of the Adequacy Standards Regulation.

Communication

LONDON POLICE SERVICES BOARD POLICY

8. This Board, in partnership with the Chief of Police, will establish a process, with municipal council if required, for the communication of the business plan to:
 - a) members of the LPS; and
 - b) members of the public.
